WARRANT FOR TOWN MEETING
STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Rollinsford in the County of Strafford, in said State, qualified to vote in town affairs.

You are hereby notified to meet at Town Hall in said town on Tuesday, the thirteenth (13th) day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

Article 1. To bring in your ballots for Town Clerk, Town Treasurer, one Selectman for a term of three years, one Road Agent, and Chief of Fire Department.

Art. 2. To choose all other necessary town officers for the year ensuing.

Art. 3. To raise such sum of money as may be necessary to defray town charges for the ensuing year and make appropriation for the same.

Art. 4. To see what percentage, if any, the town will vote to discount all taxes paid on or before the first of August next, excepting poll taxes.

Art. 5. To see if the town will vote to establish a Public Library and accept the provisions of Chapter 8, Section 21-26 of the Public Statutes and appropriate a sum of money for the same.

Art. 6. To see if the town will vote to give a prescription permit to any druggist who is a registered pharmacist doing business in town, to sell liquor for medicinal use under Section 14, Chapter 147 of the laws of the January session, 1917, approved April 17, 1917.

Art. 7. "To see whether beer or other lawful alcoholic beverages shall be manufactured or sold locally as permitted under this act" of Chapter 99, Section 22, of the laws of the January session, 1933, approved May 2, 1933.

Art. 8. To see if the town will vote to strictly enforce the several articles under Chapter 162, of the Public Statutes of the State of New Hampshire, as published in the 1930 edition of the New Hampshire Board of Fire Underwriters Pamphlet, covering Article 30 in particular, which refers to the manufacturing, refining, mixing, storing or keeping for sale any oil or fluid composed wholly, or in part, of any of the products of petroleum, in any city or town, except as provided in this Chapter of the Public Statutes, without a license from the Mayor and Aldermen of the city or the Selectmen of the town, the license, if granted, shall state the manner, and the portion of any locality or building, in which the articles may be mixed, stored or kept, and it shall continue in force from the time of granting the same until April first next succeeding, unless sooner revoked; but it may be revoked at any time by the authority granting it.

Art. 9. To see if the town will vote to raise and appropriate the sum of eighteen hundred dollars ($1,800 00) for the extension of water main on Broadway extension, and also an additional fire hydrant. (By Petition)

Art. 10. To see if the town will authorize the the Selectmen to administer or dispose of any real estate acquired by the town through Tax Collector's deeds.

Art. 11. To see if the town will vote to maintain a District Nurse and to raise money for same.

Art. 12. To transact any further business that may legally come before said meeting.

Art. 13. To see if the town will vote to raise and appropriate the sum of three hundred dollars ($300.00) to build a Tarvia sidewalk on westerly side of Washington Street, starting from residence of Amedee Bisson, and extending to junction of Dover Street. (By petition.)

Given under our hands and seal this twenty-sixth day of February, in the year of our Lord, nineteen hundred and thirty-four.

Joseph C. Rorerts,
Edward J. Hudon,
Forrest L. Nutter,

Selectmen of Rollinsford.

Appropriations will begin at 11 o'clock sharp.

BUDGET OF THE TOWN OF ROLLINSFORD, NEW HAMPSHIRE

Sources of Revenue	Actual Revenue Previous Year 1933	Estimated Revenue Ensuing Year 1934

Respectfully submitted,

GEORGE W. NUTTER,

Treasurer.

The undersigned auditors of the Town of Rollinsford accounts have examined the books of the Selectmen, Town Treasurer, Town Clerk, Tax Collector and Highway Agent for the year ending January 31, 1934 and find all cash entries sustained by appropriate vouchers and castings correctly made and footings agree.

RICHARD J. COLBATH,
CHAS. A. JOHNSON,

Auditors.

TAX COMMISSIONER'S REPORT

STATE TAX COMMISSION
New Hampshire

Concord
September 25, 1933

Mr. Edward J. Hudon,
Board of Selectman,
Town of Rollinsford,
Salmon Falls, New Hampshire.

Dear Sir:

I submit herewith a report of my audit of the accounts of the town of Rollinsford. The following statements are enclosed herewith:

1. Statement of Receipts and Payments for the fiscal year ended January 31, 1933 and from February 1, 1933 to September 7, 1933, together with a statement of Reconciliation of Treasurer's Cash Book and Bank Balance.

2. Alfred L. Roux, Tax Collector. Summary of Warrants, Tax Levies of 1931 and 1932.

3. Alfred L. Roux, Tax Collector. Payments to Treasurer, Tax Levies of 1931 and 1932.

4. Alfred L. Roux, Tax Collector. Uncollected Lists, Tax Levies of 1931 and 1932.

5. Albany Belhumeur, Tax Collector. Summary of Warrant, Tax Levy of 1933, and Payments to Treasurer, Tax Levy of 1933.

6. C. E. Hudon, Town Clerk. 1932 Auto Permit and Dog License account.

7. C. E. Hudon, Town Clerk. 1933 Auto Permit and Dog License account.

Generally speaking, the accounts of the various officers were found to have been well kept and in accordance with the uniform system required by the State Tax commission. No shortages or discrepancies were found to exist in any of the accounts.

My recommendations are as follows:

1. Original bills and invoices should be filed with the Selectmen's vouchers.

2. Road Agent's bills for material and supplies in any amount in excess of $5.00 should be approved by the Agent and turned over to the Selectmen for payment rather than included in the Agent's payrolls.

3. The standard form for the recording of tax sales should be used by the Tax Collector.

4. It has been the custom for the Town to turn over to the Fire Department in a lump sum the appropriation as voted by the town meeting each year. This being the case, the proper official of the Fire Department should turn over to the Selectmen signed payrolls showing the disbursement of this fund.

Very truly yours,

Harold G. Fowler

Municipal Accountant,

STATE TAX COMMISSION

REPORT OF CHIEF ENGINEER AND FOREST FIRE WARDEN

We Can't Relax:

Our fire losses for 1933 are well under those of 1932, which of course is a very pleasing state of affairs. In our jubilation at the reduction, however, we should not lose sight of the fact that they are still too high. While we can point to our town's annual fire loss with a feeling of pride, perhaps we can eliminate all fires and their losses for 1934. Let's try, it's worth the effort. Anyway, we can't relax.

It is inevitable that there should be destructive fires. Our industrial life must be a great factor in clean thinking terms of fire hazards. We all admit that fire is our worst enemy. It is because we become negligent to our enemy that we are caught off guard, and have to suffer the consequences. Even though the time should come when no valuable property is destroyed by fire, and no human lives are snuffed out, even then we should not dare to slacken our efforts. Our town officials, or our tax paying citizens cannot deny their fire chief's request for needed equipment on the grounds that your fire department kept last year's loss down with the old equipment, and therefore to buy new apparatus and equipment would be a waste of money. There will be many persons who will allow fire hazards to continue to menace them simply because they have not yet caused a fire, their neighbors ill-considered.

Your fire department is not satisfied to rest on its laurels because we did a little better than hold the enemy last year. If we stop, only for a moment, there will be great heaps of smoking ashes and perhaps, mounds of

charred and blistered bodies to mark the error. We must increase the efficiency of our fire department men and machines, and we must impress the dangers of fire indelibly on the minds of the citizens of our town. Your fire department is only what you make it. Its efficiency is based upon results obtained. Not only to fight fire but to eliminate hazards.

It is with pride that the Rollinsford Fire Department for 1933 claims an all time town record. No bell alarm for fire, to date, since last May 8th. Over eight months without an alarm fire. Our total loss for 1933 is less than $100.00. We not only claim a town record but we feel that we might qualify for a state or perhaps a national record in consideration for results obtained in 1933. As a fire department we are in a position to co-operate with our neighboring cities and towns, subject to call, with the satisfaction of knowing that we are in the position to issue a summons and have same acknowledged. Yet, we can't relax.

With an area of seven square miles, forty miles of road surface, approximately fifteen hundred population and an assessed valuation of one million four hundred thousand dollars and less than $100.00 fire loss for this town in 1933, why should we not be jubilant? Why should we not maintain our equipment? Our town people are fire-minded. But we can't relax. Relative to new and much-needed equipment for the future, I would suggest warm and waterproof coats for the men. Chemical hose nozzle. 20 foot ladder. Several smoke and gas masks, and at station, hose racks to eliminate hose depreciation.

The purchase of 250 or 300 feet of new fire hose each year for a few years would prove a very beneficial asset, not only in the way of emergency fire protection, but would lessen the expenditure of a large sum in any single year. Again I would suggest the damming of roadside

brooks for pumper service. The water obtainable from roadside brooks, if properly dammed, could extinguish many fires in localities where otherwise no fire protection exists.

Your fire department has not been called upon during 1933 to respond to any grass, brush or forest fires. Therefore, our record, relative to these type fires, is perfect. Why can we not cooperate with one another during this and future years, even more so than in the past, for the elimination of all fire hazards? We appreciate the support extended the Rollinsford Fire Department by our town officials and the town people in general, and it is just that loyal support that has kept our fire losses down where they now are.

It is my desire to extend to our townspeople the deep appreciation and thanks due them for the interest shown and cooperation extended their Fire Deparement in the past. That this same friendly spirit of helping each other may continue, is the sincere wish of the Rollinsford Fire Department. Thank you.

Raymond C. Chase, *Chief Engineer,*

Rollinsford Fire Department

Respectfully submitted,
January 31, 1934.

ALARMS FOR FIRE

Call No. 4. Location, Foundry St.; description, Franklin School; chimney fire; Feb. 26, 1933.

Call No. 3. Assisted Somersworth Fire Dept.; fire in block bounded by Main, Fore and High Sts.; March 12, 1933.

Call No. 4. Second St.; tenament; smoking oil stove; March 22, 1933.

Call No. 4. Third St.; four tenament building; chimney fire.

Call No. 3. Turnpike road; Harry A. Hall, residence; chimney fire; April 23, 1933.

Call No. 3—2. Silver St.; Mrs. Edwin M. Quint, residence; clothes in closet on fire; May 8, 1933.

Still Alarm—Crockett's crossing clearing; shanty with contents; December 5, 1933.

Call No. 2—4 Ham road; G. W. Emerson; chimney fire; January 29, 1934.

Note—As may be noted from the above record, no bell alarms for fire have been sounded calling our department into service since May 8, 1933.

ROLLINSFORD FIRE ALARM

Chime Whistle—operated by steam—at the plant of the Somersworth Foundry Co.

SUBSTITUTE ALARM

Mill Bell—at the plant of the Tire Fabric Corporation.

LOCATION OF ALARM BOXES

Chief Engineer's Residence—South St.—telephone 270.

Outside Fire Station—Fourth Street—under Town Hall.

Somersworth Foundry Co.'s Office—Foundry Street—Private.

Front Street—on pole opposite Mill Office.

IN CASE OF FIRE

Telephone subscribers on Dover Exchange—call Dover operator and ask for South Berwick 270.

Telephone subscribers on South Berwick Dial Exchange. Dial No. 270.

For fire in village, call Chief Engineer's residence or sound alarm box nearest to fire.

After sounding an alarm, remain at the box to direct fire-men. Act quickly—every second counts.

Note—Chief Engineer's telephone number 270 is listed in telephone directory under Rollinsford, Town of—Fire Department, Salmon Falls, N. H., 270

We solicit your cooperation for service.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Rollinsford:

This is the sixth annual report which I have had the honor to submit. I feel that our schools are bearing up well under the depression. In fact, there is no depression in schools and responsibilities have increased.

As a measure of economy the teacher of grades five and six, Miss Elizabeth Hounsell, who resigned to accept a position elsewhere, was not replaced, and the four room school at the Franklin was reduced to three. Miss Anne Brown teaching grades one, two and three; Miss Bernice Doherty, grades four, five and six and Mrs. Agnes Webber grades seven and eight. Their enrollments I have presented in a table at the close of this report. Unless the enrollment should materially increase, the same policy can be carried on next year, with the understanding that a fourth teacher be added whenever the school board feels that the situation warrants the change. At the close of the fall term, Miss Mary Daley, who so successfully taught the Pear Yard School for two years and more, left us on election to a single grade position in Dover. For the remainder of the year, Miss Martha Flanagan, a teacher with six year's experience, will have the school.

When the School Board started to clean the Franklin School it was found to be so badly in need of renovating that they decided to paint the interior. This has made conditions as to light and comfort much better. The Pear Yard school was also renovated and new curtains hung. Electric lights and hot plates for use in preparing hot lunches have been installed in both the Pear Yard and Sullivan schools; and it is hoped that both of these

buildings may be occasionally used for community purposes.

An attempt was made to get some of the money for C. W. A. projects to grade and beautify the school grounds. It seems to the writer that we should begin beautification of our surroundings, so that the children may be taught to appreciate beauty. So far the schools have received no federal aid of any sort except the free milk. At this writing 45 bottles are being distributed daily at the Franklin School and 9 at the Sullivan and 66 bottles are daily given at St. Joseph's Parochial School. In the public schools, graham crackers are furnished with the milk, payment of which comes from the local milk fund. Our school nurse helps determine what pupils shall have the milk. No other community with which I have been connected has done as much this year to remedy defects found by the nurse in her inspections. We could do more if funds were available. No school money can legally be spent for glasses or tonsil operations.

The attendance for the year ending June, 1933, was 96.46 and 101 tardy marks were reported from 115 pupils. At our closing exercises in June, Raymond Carpenter was given the Good Citizenship medal, awarded by the New Hampshire Sons of the American Revolution, and Salvatore Cincotta was presented the five dollars in gold awarded by the Wm. Martel Post of the American Legion for highest scholarship in the graduating class. Eighteen pupils are attending Dover High School and 23 at Berwick Academy during the present school year.

In many of the states schools have been closed or terms shortened. So far no communities in New Hampshire have closed schools or shortened any terms and teachers, although on the average being cut 10%, have been promptly paid. We are fortunate. Reductions already affected have removed what little possibility existed for real economy; education, on the whole, has been economically con-

ducted. J. W. Crabtree, Sec. of the National Education Association says: "The issue before the country now is: Will the people withdraw children from school and slacken their demands for good educational services, or will they provide at least reasonably adequate school funds? It seems certain that the American people will prefer, and indeed ultimately insist upon, the latter choice. The people wish to maintain schools and colleges at a high level of effectiveness. If existing taxation and public reserve systems are inadequate, they must be reformed until the necessary funds are produced. If non-economical methods of school administration have prevailed, they must be eliminated. If local funds fail, then both state funds and federal funds must be provided to protect this basic social institution". A country advances only through its children and elementary education should not be curtailed.

Accepting gracefully a ten per cent cut in salary your teachers and superintendent have given your schools the same loyalty as ever and will continue to work for better schools. We thank the school board for continued support.

Respectfully submitted,

HOWARD L. WINSLOW,

Superintendent of Schools.

TEACHERS AND ENROLLMENT, 1933-1934

Miss Anne Brown, Franklin, Grade 1, 6 enrolled; Grade 2, 5 enrolled; Grade 3, 6 enrolled.

Miss Bernice Doherty, Franklin, Grade 4, 7 enrolled; Grade 5, 11 enrolled; Grade 6, 9 enrolled.

Mrs. Agnes Webber, Franklin, Grade 7, 17 enrolled; Grade 8, 12 enrolled.

Miss Catherine Redden, Sullivan, Grade 1, 4 enrolled; Grade 2, 4; Grade 3, 6; Grade 4, 4.

Miss Mary Daley, Miss Martha Flanagan, Pearyard. Grade 1, 6 enrolled; Grade 2, 1; Grade 3, 1; Grade 4, 3; Grade 5, 4; Grade 6, 2; Grade 7, 1.

Total, 109.

REPORT OF SCHOOL NURSE

To Superintendent Howard L. Winslow and Members of School Board:

Activities in school	*Franklin School*	*Sullivan School*	*Pear Yd. School*	*Paroch'l School*
School visits	165	20	22	19
No. of classrooms inspected	4	1	1	4
No. of individual inspections	75	15	20	125
No. of pupils excluded	33	2	1	3
No. of pupils re-admitted	33	2	1	3
No. of weights taken	75	15	20	125
No. of vision tests	75	15	20	125
No. of glasses obt'ned	7	3	4	2
No. of hearing tests	75	15	20	125
No. of contagious diseases	28	1	1	0
No. of home visits	50	4	3	23
No. of children taken to dentist	21	0	0	2
No. of children taken to physician	27	0	0	0
No. of children taken to oculist	7	0	0	0
No. of treatments in school	660	80	88	76
No. of operations at hospital — (tonsils, nose and mastoid)	4	0	0	0
No. of children taken to T. B. clinic	2	0	0	0

Here I would commend the cooperation received in the homes.

I wish to thank Dr. Ross and Dr. Jerauld of South Berwick, and Dr. Chapman, Dr. Kerr, Dr. Flanders, and Dr. Hunter of Dover for their cooperation in treating the children's conditions at different times.

The teachers and Superintendent are also to be thanked for their ever-ready help in regard to the health, food, and clothes of the children. I wish to thank the local Red Cross, who have financed two tonsil and one nose operation and several dental treatments; also the South Berwick and Rollinsford Public Health Association for financing dental treatment for ten children by Dr. Chapman of Dover. Interest was shown by local persons in transporting the children to and from Dover.

Much benefit has been derived from the milk provided by the State for the under-nourished children in the schools.

The good health of an individual is a personal asset. The good health of many individuals constitutes a national asset. So All for Health and Health for All.

Respectfully submitted,

Cherry Bleakney, R. N.

School Nurse.

ROLLINSFORD SCHOOL DISTRICT
